

ASSEMBLY BILL

No. 1716

**Introduced by Committee on Human Services (Wolk (Chair),
Dutra, Lieber, and Mullin)**

February 27, 2003

An act to amend Section 17605 of the Welfare and Institutions Code, relating to human services.

LEGISLATIVE COUNSEL'S DIGEST

AB 1716, as introduced, Committee on Human Services. Local Revenue Fund: allocations.

Existing law provides for the allocation of state sales tax revenues and vehicle license fees into the continuously appropriated Local Revenue Fund, for the allocation of money to counties for various stated purposes, from the accounts contained in the fund. Existing law also specifies the allocation of tax revenues into the various accounts and subaccounts of the Local Revenue Fund, including the Sales Tax Growth Account.

Existing law requires counties that receive allocations of money from the fund to establish and maintain a local health and welfare trust fund comprised of several accounts, including the social services account.

Existing law requires, for the 1993–94 fiscal year and fiscal years thereafter, that the Controller shall deposit into the Caseload Subaccount of the Sales Tax Growth Account of the Local Revenue Fund, from revenues deposited into the Sales Tax Growth Account, an amount that is sufficient to fund the net cost for the realigned portion of the county or city and county share of growth in social services caseloads and any share of growth from the previous year or years for

which sufficient revenues were not available in the Caseload Subaccount.

This bill would require, for the 2003–04 fiscal year and fiscal years thereafter, that no Sales Tax Growth Account funds shall be allocated until the caseload portion of the base of each county’s social service account in the county health and welfare trust fund is funded to the level of the prior year, and would require that funds to meet that requirement shall be allocated from Sales Tax Account of the Local Revenue Fund.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 17605 of the Welfare and Institutions
2 Code is amended to read:

3 17605. (a) For the 1992–93 fiscal year, the Controller shall
4 deposit into the Caseload Subaccount of the Sales Tax Growth
5 Account of the Local Revenue Fund, from revenues deposited into
6 the Sales Tax Growth Account, an amount to be determined by the
7 Department of Finance, that represents the sum of the shortfalls
8 between the actual realignment revenues received by each county
9 and each city and county from the Social Services Subaccount of
10 the Local Revenue Fund in the 1991–92 fiscal year and the net
11 costs incurred by each of those counties and cities and counties in
12 the fiscal year for the programs described in Sections 10101,
13 10101.1, 11322, 11322.2, 12306, subdivisions (a), (b), (c), and (d)
14 of Section 15200, and Sections 15204.2 and 18906.5. The
15 Department of Finance shall provide the Controller with an
16 allocation schedule on or before August 15, 1993, that shall be
17 used by the Controller to allocate funds deposited to the Caseload
18 Subaccount under this subdivision. The Controller shall allocate
19 these funds no later than August 27, 1993.

20 (b) (1) For the 1993–94 fiscal year and fiscal years thereafter,
21 the Controller shall deposit into the Caseload Subaccount of the
22 Sales Tax Growth Account of the Local Revenue Fund, from
23 revenues deposited into the Sales Tax Growth Account, an amount
24 determined by the Department of Finance, in consultation with the
25 appropriate state departments and the California State Association
26 of Counties, that is sufficient to fund the net cost for the realigned
27 portion of the county or city and county share of growth in social

services caseloads, as specified in paragraph (2), and any share of growth from the previous year or years for which sufficient revenues were not available in the Caseload Subaccount. The Department of Finance shall provide the Controller with an allocations schedule on or before March 15 of each year. The schedule shall be used by the Controller to allocate funds deposited into the Caseload Subaccount under this subdivision.

(2) For purposes of this subdivision, “growth” means the increase in the actual caseload expenditures for the prior fiscal year over the actual caseload expenditures for the fiscal year preceding the prior fiscal year for the programs described in Section 12306, subdivisions (a), (b), (c), and (d) of Section 15200, and Sections 10101, 15204.2 and 18906.5 of this code, and *for which funds are allocated pursuant to* subdivision (b) of Section 123940 of the Health and Safety Code.

(3) The difference in caseload expenditures between the fiscal years shall be multiplied by the factors that represent the change in county or city and county shares of the realigned programs. These products shall then be added or subtracted, taking into account whether the county’s or city and county’s share of costs was increased or decreased as a result of realignment, to yield each county’s or city and county’s allocation for caseload growth. Allocations for counties or cities and counties with allocations of less than zero shall be set at zero.

(c) On or before the 27th day of each month, the Controller shall allocate, to the local health and welfare trust fund social services account, the amounts deposited and remaining unexpended and unreserved on the 15th day of the month in the Caseload Subaccount, pursuant to the schedule of allocations of caseload growth described in subdivision (b). If there are insufficient funds to fully satisfy all caseload growth obligations, each county’s or city and county’s allocation for each program specified in subdivision (d) shall be prorated.

(d) Prior to allocating funds pursuant to subdivision (b), to the extent that funds are available from funds deposited in the Caseload Subaccount in the Sales Tax Growth Account in the Local Revenue Fund, the Controller shall allocate money to counties or cities and counties to correct any inequity or inequities in the computation of the child welfare services portion of the schedule required by subdivision (a) of Section 17602.

1 ~~(e) The Department of Finance shall submit to the Controller,~~
2 ~~by March 1, 1994, a schedule specifying the amount of the~~
3 ~~allocations described in subdivision (d). This schedule shall~~
4 ~~include, but need not be limited to, adjustments resulting from~~
5 ~~retirement system credits and other anomalies that occurred in the~~
6 ~~1989-90 fiscal year and the 1990-91 fiscal year. (1) For the~~
7 ~~2003-04 fiscal year and fiscal years thereafter, no Sales Tax~~
8 ~~Growth Account funds shall be allocated pursuant to this chapter~~
9 ~~until the caseload portion of the base of each county's social~~
10 ~~services account in the county's health and welfare trust fund is~~
11 ~~funded to the level of the prior fiscal year. Funds to meet this~~
12 ~~requirement shall be allocated from the Sales Tax Account of the~~
13 ~~Local Revenue Fund. If sufficient funds are not available in the~~
14 ~~Sales Tax Account of the Local Revenue Fund to achieve that~~
15 ~~funding level in a fiscal year, this requirement shall be funded in~~
16 ~~the first succeeding fiscal year in which there are sufficient funds~~
17 ~~in the Sales Tax Account of the Local Revenue Fund to reach the~~
18 ~~caseload base funding level for which each county would have~~
19 ~~otherwise been eligible in accordance with subdivision (e) of~~
20 ~~Section 17602 for that year. This requirement shall be cumulative~~
21 ~~for successive fiscal years in which there are not sufficient funds~~
22 ~~in the Sales Tax Account of the Local Revenue Fund to meet this~~
23 ~~requirement.~~
24 (2) *The caseload portion of each county's social services*
25 *account base shall be determined by subtracting its noncaseload*
26 *portion of the base, as determined by the Department of Finance*
27 *in its annual calculation of General Growth Account allocations,*
28 *from the total base of each county's social services account for*
29 *each fiscal year.*
